LEGENDARY CONVENIENCE

Destin-based developer Legendary, Inc., proudly announces an addition to their family of resort destinations through its latest vacation offering, the Villages of Crystal Beach. Located in the heart of Destin and developed by Lagniappe Development, the beachside community holds an eclectic architectural presence, unlike any other development in the area. Along with the perks of the perfect location and array of architectural styles to choose from, each home within the beach community will be pampered by the hospitality arm of Legendary, Legendary Resorts, providing the ultimate vacation package with a "Resorts Without Borders" approach.

The goal of Legendary Resorts is to allow vacationers to enjoy their vacations. A Legendary Resort encompasses the city of Destin. Legendary properties can be found all the throughout city, including: Emerald Grande at HarborWalk Village, Legendary Marina, Legendary Marine, Destin Commons, Regatta Bay and in this case, the Villages of Crystal Beach. Vacationers owning or renting any Legendary property can enjoy the rewards of any other Legendary property around Destin with the simple swipe of a card. Legendary Resorts vacationers will be given a room key, offering a doorway that opens

up to so much more than a room with the perfect view.

COMPETING COBIA

With a nickname like "The World's Luckiest Fishing Village," great fishing tournaments naturally go hand in hand. Destin, Florida, the bearer of this catchphrase, holds an annual Cobia Tournament. And this year, HarborWalk Marina, home to Florida's largest fleet of charter boats, will present the 2007 Destin Cobia Tournament.

The HarborWalk Marina Cobia Tournament, which has seen up to over 75 boats competing, is scheduled to begin with the first Cobia caught and weighed-in by a boat officially entered in the tournament and will continue until Sunday, April 29. The prize for the first fish caught is \$300 and a three-night stay at a beach house.

On May 12, the awards ceremony will be held at Jet Ultra Lounge to announce the tournament winners.

This year, the HarborWalk Marina Destin Tournament divisions include: Overall, 1st place prize of \$9,000; 2nd place of \$6,000; 3rd place of \$4,000; and 4th place of \$2,000. The 30ft and under division 1st place is \$3,000; 2nd place of \$2,000; and 3rd place of \$1,000. The Martha Glawson Ladies Division will award 1st place of \$1,000, 2nd place of \$750 and 3rd place of \$500. The Senior Division will award \$500 to the 1st place winner. The Junior Division will award 1st place of \$300; 2nd place of \$200 and 3rd place of \$100 and a Pee Wee Division 1st place winner will received \$300. There is over \$33,000 guaranteed cash and prizes being awarded during this year's tournament.

Fishermen interested in competing can find entry forms at HarborWalk Marina and online at www.cobiatournament.com.

CATCH THE BLUES

Located aboard Naval Air Station Pensacola, the National Museum of Naval Aviation is proud to share a home with the U.S. Navy's Blue Angels flight demonstration team. During the 2007 season, The Blue Angels will perform practice air shows over Naval Air Station Pensacola. In addition, following some of the Wednesday practices, there will be an autograph session with the pilots. Admission to the Blue Angel practices is FREE and open to the public. The viewing area for the Blue Angels practice is located behind the National Museum of Naval Aviation. **ML**
