

Legendary acquires Brooks Bridge Marina

Legendary Inc., a large development firm in Destin, announced this week that it has assumed management of Brooks Bridge Marina in Fort Walton Beach and has renamed the facility Legendary Marina at Brooks Bridge.

The Brooks Bridge location marks the second boat dry-storage facility owned and/or operated by Legendary. The other, Legendary Marina at Mid-Bay Bridge, is on the south end of the Mid-Bay Bridge across Choctawhatchee Bay.

“Legendary’s senior management and the Legendary Marina and Marine teams are pleased to have the opportunity to manage the Brooks Bridge location,” Bruce Craul, Legendary’s chief operating officer, said in a news release. “The addition of this marina continues to fulfill our goal of providing linkage along the Intracoastal Waterway for our

Legendary boating customers. Legendary Marina’s core purpose is to provide customers with complete, comprehensive and worry-free boating.”

Legendary Marina at Brooks Bridge will continue to provide dry storage and wet slips to customers. The Brooks Bridge location contains about 200 dry-storage spaces and 20 wet slips and a staff of service technicians.

Legendary Marina at Mid-Bay Bridge has more than 700 bays that stores boats up to 55 feet.

Legendary Inc. makes its headquarters in Destin and has a Restaurant Division, Real Estate Development Group, Management Operations Division and Holdings Division. Its enterprises include Emerald Grande, Legendary Marine, Regatta Bay Golf and Country Club and Destin Commons.
